2016 SULKY BLANC

REGION:	ADELAIDE HILLS, SOUTH AUSTRALIA
HARVEST DATE:	FEBRUARY / MARCH 2016
DATE BOTTLED:	23RD OF AUGUST 2016
ALCOHOL:	12.5% ALC
WINEMAKER:	MICHAEL DOWNER

VINEYARD & WINEMAKING:

50% Riesling, 30% Sauvignon Blanc and 20% Pinot Gris

This textural aromatic Blanc is comprised of Riesling from Macclesfield, Sauvignon Blanc from our estate vineyard in Oakbank and Pinot Gris sourced from Lenswood.

25% of this wine was fermented on skins for 1-2 weeks with the Riesling and Sauvignon components adding textural and structure to the wine. The Pinot Gris was sent to older barriques to again build texture and softness to the wines. Overall 50% of the components spent some time in older barriques.

An exotic wines that displays characters from all three varieties, lime and pear aromatics, fine persistent acidity with mouthwatering melon and lime flavours that linger onto a chalky textural back palate.
