| WINEMAKER: | MICHAEL DOWNER |

VINEYARD & WINEMAKING:

100% Riesling,

This textural aromatic blend is comprised of Riesling from Macclesfield and Lenswood. Spontaneous wild fermentation occurs in older barrels after pressing with partial skin contact to add structure. Maturation was for two months in barrel and two month in stainless steel tank before bottling.

These techniques were employed to help make a more approachable wines style, with layers of complexity whilst still displaying the varietal expression of Riesling,
